IF THERE WERE NO WINTER THERE

Music by Y. Krylatov.

Words by Y. Entin

Translation by V. Voronin

If there were no winter there,
In small towns and cities
We would never know and hear
Of joyful days and meetings.
Children would not run around
A snowman with red cheeks,
Ski-tracks would not cover the ground
If there were no winter .

} 2 times

If there were no winter there –
It is not a secret –
We would die of strong heat then,
Summer 'd tire us quickly.
No snowstorm 'd come to us,
Snow would not glisten,
Bullfinches wouldn't sit on pines,
If there were no winter.

} 2 times

If there were no winter there,
If there were summer always,
We would never know New Years
And sparkling winter holidays.
Santa Claus wouldn't come to us,
Carrying gifts for children,
Rivers wouldn't change into ice
If there were no winter.

} 2 times

If there were no winter there,
In small towns and cities
We would never know and hear
Of joyful days and meetings.

КАБЫ НЕ БЫЛО ЗИМЫ

*музыка Е. Крылатова
слова Ю. Энтина*

Кабы не было зимы
В городах и селах,
Никогда б не знали мы
Этих дней веселых.

Не кружила б малышня
Возле снежной бабы,
Не петляла бы лыжня,
Кабы, кабы, кабы...
Не петляла бы лыжня,
Кабы, кабы, кабы...

Кабы не было зимы,
В этом нет секрета, -
От жары б увяли мы,
Надоело б лето.
Не пришла бы к нам метель
На денек хотя бы,
И снегирь не сел на ель,
Кабы, кабы, кабы...
И снегирь не сел на ель,
Кабы, кабы, кабы...

Кабы не было зимы,
А все время лето,
Мы б не знали кутерьмы
Новогодней этой.
Не спешил бы Дед Мороз
К нам через ухабы,
Лед на речке б не замерз,
Кабы, кабы, кабы...
Лед на речке б не замерз,
Кабы, кабы, кабы...

Кабы не было зимы
В городах и селах,
Никогда б не знали мы
Этих дней веселых!
